

AYER PUBLIC LIBRARY

AYER, MASSACHUSETTS

- OWNER

Town of Ayer, MA

- ARCHITECT

Design Partnership of Cambridge, Inc.

- CONSTRUCTION COST

\$4,000,000

- GENERAL CONTRACTOR

Souliere & Zepka Construction, Inc.

Rendering by Robert Berry

PROJECT DESCRIPTION

Structural design for a 13,000 square foot addition to the town's historic library. This 1890's library, designed by Alexander Jenny, required heavy timber roof framing, steel-concrete composite framed floors and a conventional cast-in-place foundation to combine the old and new elements and to more than triple the size of the library.
