- OWNER

Boston University

- ARCHITECT

Burt Hill Kosar Rittelmann Associates, Inc.

- CONSTRUCTION COST

\$12,000,000

- CONSTRUCTION MANAGER

The RF Walsh Company, Inc.

Photos by Peter Vanderwarker

PROJECT DESCRIPTION

An 1876 brick and wood building which was changed from a homeopathic hospital to offices for Boston University's School of Public Health.

The building was significantly reinforced and modernized. Due to the age of the original structure, the investigation of existing conditions presented challenges in examining the structure and upgrading it to modern Building Code standards.
